What is Scrip?

Scrip is an on-going fundraising program which is being used by Sacred Heart School to raise money for the school while providing a way for families to reduce the cost of tuition at the school or fees for CCD. Basically, the program buys gift certificates or gift cards from many different businesses at a discount and then sells them at face value. Participating families earn a tuition credit of 2% of the face value of the cards they buy (1% credit on cards with a 2% discount) and the remaining proceeds are used to help fund operations at the school. Participating businesses benefit by earning a tax deduction: the discount on the gift cards is considered a charitable contribution to a qualifying non-profit organization.

How Do I Begin?

Fill out an Enrollment Form to indicate where you want your credits to be directed. Anyone can buy Scrip, including your friends and extended family members. If they want to buy on a regular basis, they should set up their own account and indicate they want your family to receive credits. If they only plan to buy occasionally, they can make purchases through your account.

How Do I Order?

Fill out an order form and bring it by the Scrip table at the back of the church. Volunteers will fill your order from cards and certificates we have on hand. If you order something that is not on hand, we order new cards every Monday, and we usually receive them by that Thursday.

Scrip Sales Schedule

| | | |
|------------------|---------------------|------------------------------------|
| Monday | 8:30 to 10:30 am | (in Father's office during winter) |
| Wednesday | 11:00 am to 1:00 pm | (in Father's office during winter) |
| Thursday | before & after Mass | (in Father's office during winter) |
| Saturday | before & after Mass | (at back of church year-around) |
| Sunday | 9:00 to 10:00 am | (at back of church year-around) |

You may also send an order form and payment to school with your child on Monday or Wednesday. Volunteers will fill your order and return it to the school the same day.

You can also order on-line by going to www.ShopWithScrip.com. This site gives you access to the latest information on cards available through Great Lakes Scrip Center. Cards provided to Sacred Heart Scrip by other businesses are also listed. It also gives you the option of paying on-line and certain cards are reloadable on-line. The enrollment code for Sacred Heart is **EDDELL1E1944**.

When Do I Receive Tuition Credits?

The Scrip year goes from July 1 to June 30 and credits earned are applied to the tuition for the following school year. Tuition credits accrued during that time are paid directly to the school before enrollment begins. Your credits will be deducted from your total bill due by the school.
